

This chart shows 67 unsuccessful calls made from June through September 2023 attempting to speak to media or government oversight agencies. Repeatedly, only rings, a voice mail, or a busy signal was received. A human was never reached or called back. Messages requesting a return call were left on each voice mail with not a single reply received.

Month of July 2023					
July 4, 2023	(202) 225-2676	Sen. Jim Jordan	No	Only Reached Voicemail	This is especially the case considering messages were left with oversight agencies reporting cyber crime activity, corruption and requesting intervention. I am certain cyber criminals, who continue to stalk and block my phone and online activity, intercepted each call to prevent my intended communication.
